<b>Consultancy</b>	<ul style="list-style-type: none"> <li>› Our consultancy services provide a range of strategies to support and inspire teachers to understand the high demands of the new curriculum, ensuring their assessments are accurate and that these are used to plan more effectively so children continue to make great progress.</li> <li>› Contact us for more information on <a href="mailto:training@scholarpack.com">training@scholarpack.com</a> or <b>01522 716 058</b></li> </ul>			

*Our trainer was very patient, knowledgeable, approachable and helpful. Thank you very much for such an informative day.*

Winterton Junior School

*Our trainer delivered an informative, well-paced training day and tailored their presentation to the different groups of staff...Very pleased!*

Wyndcliffe Primary School

*I don't think it could have been improved! The trainer worked at my pace, so I understood more and could actually remember how to do things. There was every opportunity for me to take notes, re-visit areas I was unsure of and ask any further questions. Very satisfied. Thank you!*

Captain Shaw's C of E School
